Details of the Property

Title: Land in Tamarindo Park with all services

Description: This 429 m² lot is located in the exclusive private community Tamarindo Park, just minutes from the beach. Ready to build, it has basic services such as water and electricity, and a \$150 condominium fee that covers maintenance and security. The land has a slight slope that helps with drainage in the rainy season. An imposing Guanacaste tree, the national symbol of Costa Rica, offers a unique opportunity to integrate it into architectural design, with the possibility of creating a swimming pool under its shade. Ideal for building a luxury villa of up to two floors, the lot is located in one of the most touristic areas of Costa Rica, famous for its beaches, surfing and beautiful sunsets. Price: \$249,000.
