Title: Executive Apt 3bd Service Overlooking Golf Course
Fantastic unit overlooking the golf courses of the Costa Rica Country Club in Escazú from the peace and privacy of the 4th floor.

The apartment was completely overhauled from floor to ceiling, meaning the finishes are top-notch and modern, the kitchen includes an island (on wheels!), and it all feels like new.

Description: The main door opens to the spacious living room and dining room, which because of the location and view is completely private, on one side looking into the canopy of trees and on the other, the golf green. The living area opens on to a good-sized terrace, enough for a table for 6 and a BBQ with space to walk comfortably. Behind the kitchen there are spacious washing/drying/hanging installations, staff quarters, and a service-door accessing a stairwell shaft and large service elevator. The living room turns into an office space at the end of the hall which leads to the three bedrooms and 2 bathrooms, each nestled privately in the tree-tops.

Parking for two cars is on ground-level and allows for dry in/out and access to the apartment. The building is quiet and peaceful, including a spacious lobby impeccably maintained as the rest of the building.
