Details of the Property

Title: Pico Blanco Mountain Property
A true mountain property in the highest of heights above Escazú. The only thing looking down onto the property are the cliffs of Pico Blanco!

Over 5ha of spectacular mountain property, permanent cool air, fresh climate, beautiful sun on sunny days and impressive mountain clouds on foggy days.

Description: A source of permanent fresh mountain water is on the property, meaning year-round free, completely pure, from-the-source water. And it's nice and cold!

For a mountain full-time home, a weekend getaway cabin not far from the office (you are in fact just above everything Escazú has to offer), or a tourism development, this beautiful property is the last frontier that is achievable at minutes from the city. Other last frontiers are quite a ways away from the city! Hardly a car or person to be found, absolute privacy and quiet. Hiking, biking, sitting at the river, camping, sunbathing, or cloud watching. It's all there.

Price: \$ 600,000
m² of lot: 52400
